

# Caregiving for a Loved One with Alzheimer's Disease

Caring for someone with Alzheimer's disease or a related dementia requires special understanding, patience and skills. We'll provide a basic overview of the disease, how it affects behaviors and some useful communication and coping skills.

**Offered at no charge to parishioners of Our Lady of Lourdes and St. Peter's. Sign-up sheets available in those church lobbies or call Dawn Manning at 508-349-2222.**

Presented by Melissa Weidman, Director of Community Relations, Hope Hospice

**Saturday, May 20th, 2017**

**10:00 a.m. to 11:00 a.m.**

**Our Lady of Lourdes Church**

**2282 US Route 6, Wellfleet, MA 02667**
